## HELP WANTED

Wood River City Pool is owned by the City of Wood River. This heated pool will contain a slide, lazy river, splash pad, two diving boards, crawl across feature. The pool has a zero entry and swimming lanes for competition in the summer. There is also a vortex inside the lazy river to keep you moving. It is the first one in Nebraska. Across from the zero entry is an ADA lift to assist handicap persons into the swim area of the pool.

All along the pool will be covered areas to watch the kids swim, or sit in the shade and have a snack from the snack bar.

The pool will offer swim lessons and the ability to have a pool party for a fee.
