

# WOOD RIVER'S DISASTER RECOVERY REHAB PROGRAM IS ABOUT TO BEGIN!

***INTERESTED PROPERTY OWNERS & CONTRACTORS***

***PLAN TO ATTEND***

***AN INFORMATIONAL MEETING!***

***Tuesday, March 10th, 6:00 PM***

The City of Wood River's homeowner and contractor meeting for the upcoming Disaster Recovery - Owner Occupied Rehab and Single Family Rental Rehab projects will be held **Tuesday, March 10<sup>th</sup>**, at the **Wood River Community Center at 6:00 pm**.

All ***contractors*** interested in participating should plan to attend! The program will need contractors from all specialties to meet the needs of homes in Wood River.

The ***property owner/homeowner*** meeting is also important for interested **homeowners and investment property owners**. The purpose of the meeting is to provide information for any homeowner/investment property owner in Wood River City limits who is interested in learning more about eligibility for the Disaster Recovery program. Application packets will be available that evening.

Eligible expenses include flood recovery repairs, repair or replacement of windows, doors & siding; roof repair or replacement; water heater, furnace/AC; insulation & storm windows; repair of walls, ceilings and floors; accessibility changes for persons with disabilities; and other health and safety related items

If you are unable to attend the meeting but are interested in knowing more, please contact Leigh Alexander of CDS Inspections & Beyond at (402) 582-3580 with your specific questions.
